EDUCATION

📍 National Institute of Technology Karnataka, Surathkal
Bachelor of Technology

📅 2019 - 2023

Major: Metallurgy & Materials Engineering
CGPA : 8.68
Minor: Information Technology
CGPA : 8.50

📍 Kendriya Vidyalaya Malleswaram, Bangalore
CBSE

📅 2017 - 2019

12th Boards Percentage - 93.00%
10th Boards Percentage - 95.00% (10 CGPA)

PROJECTS

RenderFarm: Responsive WebPage
Personal Project

📅 July 2021

Promoting a hypothetical software about cloud-rendering services this particular webpage was created. It is responsive, which can deliver content hassle free on any device. Used Bootstrap 5 framework, CSS, and HTML to implement it.

🔗 **Project**

Prediction of composition values
Anveshan 2021: Forged by Fire

📅 July 2021   📍 IIT-BHU workshop

Used two supervised algorithms to predict the composition values of Cr-Mo alloy at different eta values. Real thermodynamic dataset was used for training.

🔗 **Project**

Database Management system for Banks
Mini-project (Semester IV)

📅 April 2021   📍 NITK

Designed an efficient and a centralised database management system for a typical bank using MySQL, a group project as a part of coursework

📄 **Report**

Human Resource Management System
Mini-project (Semester II)

📅 June 2020   📍 NITK

Using C programming language to create a HR Management system to help the employer for the basic tasks.

🔗 **Project**

ORGANIZATIONS

NITK Racing - Formula Student Electric Team
3D modeler and Animator

📅 March 2020 - Present

- Animated the subsystem parts for presentation at FSEV concept challenge in 2021
- Conducted a KEP on Blender (Open source software)
- Content Creator

CERTIFICATIONS

The Web development Bootcamp
❄ **Udemy**

📅 June - August 2021

Credential ID:
UC-e60e08d2-82e8-4ae1-b379-ad9a6959c142

Neural Networks & Deep Learning
❄ **Coursera**

📅 May - June 2021

Credential ID: RU4Q859T68B2

Projects in Machine learning
❄ **Udemy**

📅 June 2021

Credential ID:
UC-b4c6c05e-aad8-4318-8310-6e5ff08ba89f

SKILLS

Languages:

C/C++   Dart   Python   JavaScript

Tools & Frameworks:

CSS   HTML   Git   Flutter
BootStrap   Machine Learning
Visual Studio Code

Other skills and softwares:

Blender   3D modeling and Animation
Video Editing   MATLAB
Interpersonal skills

EXTRA-CURRICULAR

- Braille Shoes 2.0 - National level science project at IIT Kanpur (2018)
- Scouts and Guides - Rajyapuraskar rank
- Media Executive in MACD (Nov 2019 - Present)
